About the College

Sivaji College of Engineering and Technology is one of the esteemed projects of Professor V. Jagannatha Panicker Memorial Charitable Trust. The institution was established in 2009 by founder chairman, Dr. Sivaji Jaganathan, a businessman and philanthropist having deep interest in imparting value based technical education of high quality. Under his able guidance the institution is making rapid strides with a view to achieving new heights of excellence in its academic pursuit.

The college is situated in an exquisite spot in Manivilai which is 5 kms from Amaravila junction, 7 kms from Kaliyakkavilai and 28 kms from Trivandrum Central. The campus takes pride in having all facilities including spacious and well furnished classrooms, fully equipped Laboratories, Library, Drawing Hall, Workshop, Playground, Auditorium, 24 hours Wi-Fi connectivity etc...

SCOPE OF THE CONFERENCE

National Conference on Sustainable Engineering and Management aims to provide a National forum for Researchers, Academicians, Industrial experts and Research Scholars to deliberately explore and contribute their ideas on the latest advancement in Engineering and Management. It also aims to blend the fundamental concepts and methodologies with advanced innovative techniques in Engineering and Management for upgrading the knowledge of persons responsible for controlling the quality of life and materials. It is expected that experts from all over the nation will facilities diffusion of Science and Technology in various disciplines.

The outcome of the colloquium will contribute new dimension in planning sustainable growth of the nation and will unveil the unknown trends to reach new horizons.

On behalf of the organizing committee, we are glad to invite you to take part in the national conference (NCSEM'24).
